DISCOVER AND GO!

Your Yolo County Library Card can get you more than just the materials and resources in the library. With your library card you can get free or reduced admission to several local museums. For example, you can get free admission for four to the Crocker Art Gallery in Sacramento, admission for two to the Exploratorium in San Francisco, or free admission for one child to the Charles M. Schulz Museum in Santa Rosa.

All you need to do is go to the Discover and Go Website at: <http://discover.yolocountylibrary.org/> and enter your Yolo County Library card number and PIN. You can search by date or by venue to find an offer that meets your needs. Some passes go fast, so plan ahead.

Looking to become more active with the Friends this year?

Serving on the WSFOL Board is a rewarding experience. You meet great people and know that you are contributing to the success of the WSFOL and the Arthur F. Turner Community Library. There are many ways in which you can participate. For example, we are currently seeking applicants to fill the vacant Board position of Secretary. The Secretary records the minutes of the monthly Board meetings, sends thank you notes to donors and prepares letters.

Another need we have is for someone to pick up boxes of materials from the library for recycling and deliver them to International Paper here in West Sacramento.

Are you interested in volunteering, but in a less active capacity? We also are seeking members to help sort through book donations, help with book sales, or help with publicity and event planning as we prepare to participate in the Big Day of Giving on May 3, 2018. Please contact Alex Hirsch at: alexhirsch.westsacramento@gmail.com for more information about any of these volunteer opportunities.

Lastly, we have our Board meetings on the 4th Wednesday of each month at 6 pm in the community room of the Arthur F. Turner Community Library. We invite you to attend. You are always welcome.
